## **From Mr Taylor**

I have received many lovely comments from parents and children, this week, regarding how nice it is to finally have a substantive Head teacher – thank you. My overall philosophy for The Federation is a 'happy child will always learn something new'.

I firmly believe that the biggest part of my job is to ensure that your child loves coming to school and this was very evident in the participation of our Athletics Squad on Wednesday night, an amazing second place was achieved- well done to all and a big thank you to all that makes this possible.

As always my door is always open if you have any questions, concerns or celebrations you wish to share.

## **Swimming**

This year we are taking part in the School Swimathon, we are challenging all children to 'swim their best'. Class 2 have been working really hard on improving their strokes and water confidence and at their last lesson on 8<sup>th</sup> February we will see if they can swim further than they did at the start of the year. All children will receive a Swimathon cap this term and some rewards at the end of their swimming sessions. More info can be found using the following link-

## Swim safe

On Tuesday we were joined by Katie from Everyone Active at Scarborough Leisure Village who told us all about water safety. Children enjoyed meeting the Be active Bee and were rewarded with a certificate.

Children from Class 2 will be visiting the Rotunda museum in Scarborough on Tuesday 30<sup>th</sup> January, please remember your packed lunches.

## School shoes

We have noticed that a few children are coming to school in trainers, the school uniform is black or brown shoes or boots. A pair of outdoor boots, wellies or trainers must also be kept at school for playtimes on the field and changed when children come back into the building.
